2022

Bedding, Down, Throws & Dec Pillows

In 1929, John Matouk founded our company in New York City. A Syrian immigrant, his mission was to bring the European tradition of intricate lace and handwork to the American market. Ninety years later and now in its third generation of family ownership, Matouk remains true to our history of craft, quality, and luxury.

As a company, we define ourselves by our connection to family, our commitment to craftsmanship, our positive outlook, and our willingness to grow and advance as new technologies become available. Our purpose is to create the most beautiful and beloved collection of bed and bath linens in the world.

As a trusted partner, Matouk takes pride in keeping our promise to you:

We promise excellence. Everything we produce will meet the highest standards in quality and design. We will always select the best materials and utilize optimal manufacturing techniques. And every customer who buys a Matouk product will be valued, listened to, and given the best long-term experience possible.

We promise partnership and respect. We will continue to build relationships with suppliers, retailers, and customers through fairness, honesty, and trust. We will nurture the health and well-being of our employees. And we will seek out partners who share our vision and values.

We promise creativity and innovation. We will welcome creative solutions and be open to new ways to work collaboratively. We will embrace the evolution of our products, process, packaging, and machinery to constantly improve upon our heritage of quality and craftsmanship.

We wish you bright mornings, a lifetime
of love, and a house full of memories.
From our family to yours,
welcome home.

Bedding Diagram

1. EURO SHAM

A decorative pillow covering that fits a 27" x 27" European Square pillow. Euro Shams are typically placed behind the standard size pillow shams or cases as a background, but can also be placed in front of the cases and shams. They often coordinate with either the Duvet Cover or the Coverlet.

2. STANDARD SHAM

A decorative pillow covering which fits a standard pillow. Standard Shams may either be placed behind or in front of the pillows used to sleep on. They are placed behind the cases in our bed illustration.

3. STANDARD CASE

A slipcover for your standard or queen pillow.

4. BOUDOIR SHAM

A small rectangular decorative pillow covering that fits a 12" x 16" boudoir pillow.

5. NECKROLL SHAM

A cylindrical decorative covering for a neckroll or bolster pillow.

6. FLAT SHEET

This is also referred to as the top sheet. In most cases, this is the item closest to you and the fitted sheet. It is typically placed between the coverlet and the fitted sheet then folded over the coverlet.

7. COVERLET

A bed cover that drapes over the sides and foot of the bed. Coverlets are typically made in pique or matelassé fabric and goes on top of the flat sheet.

8. DUVET COVER

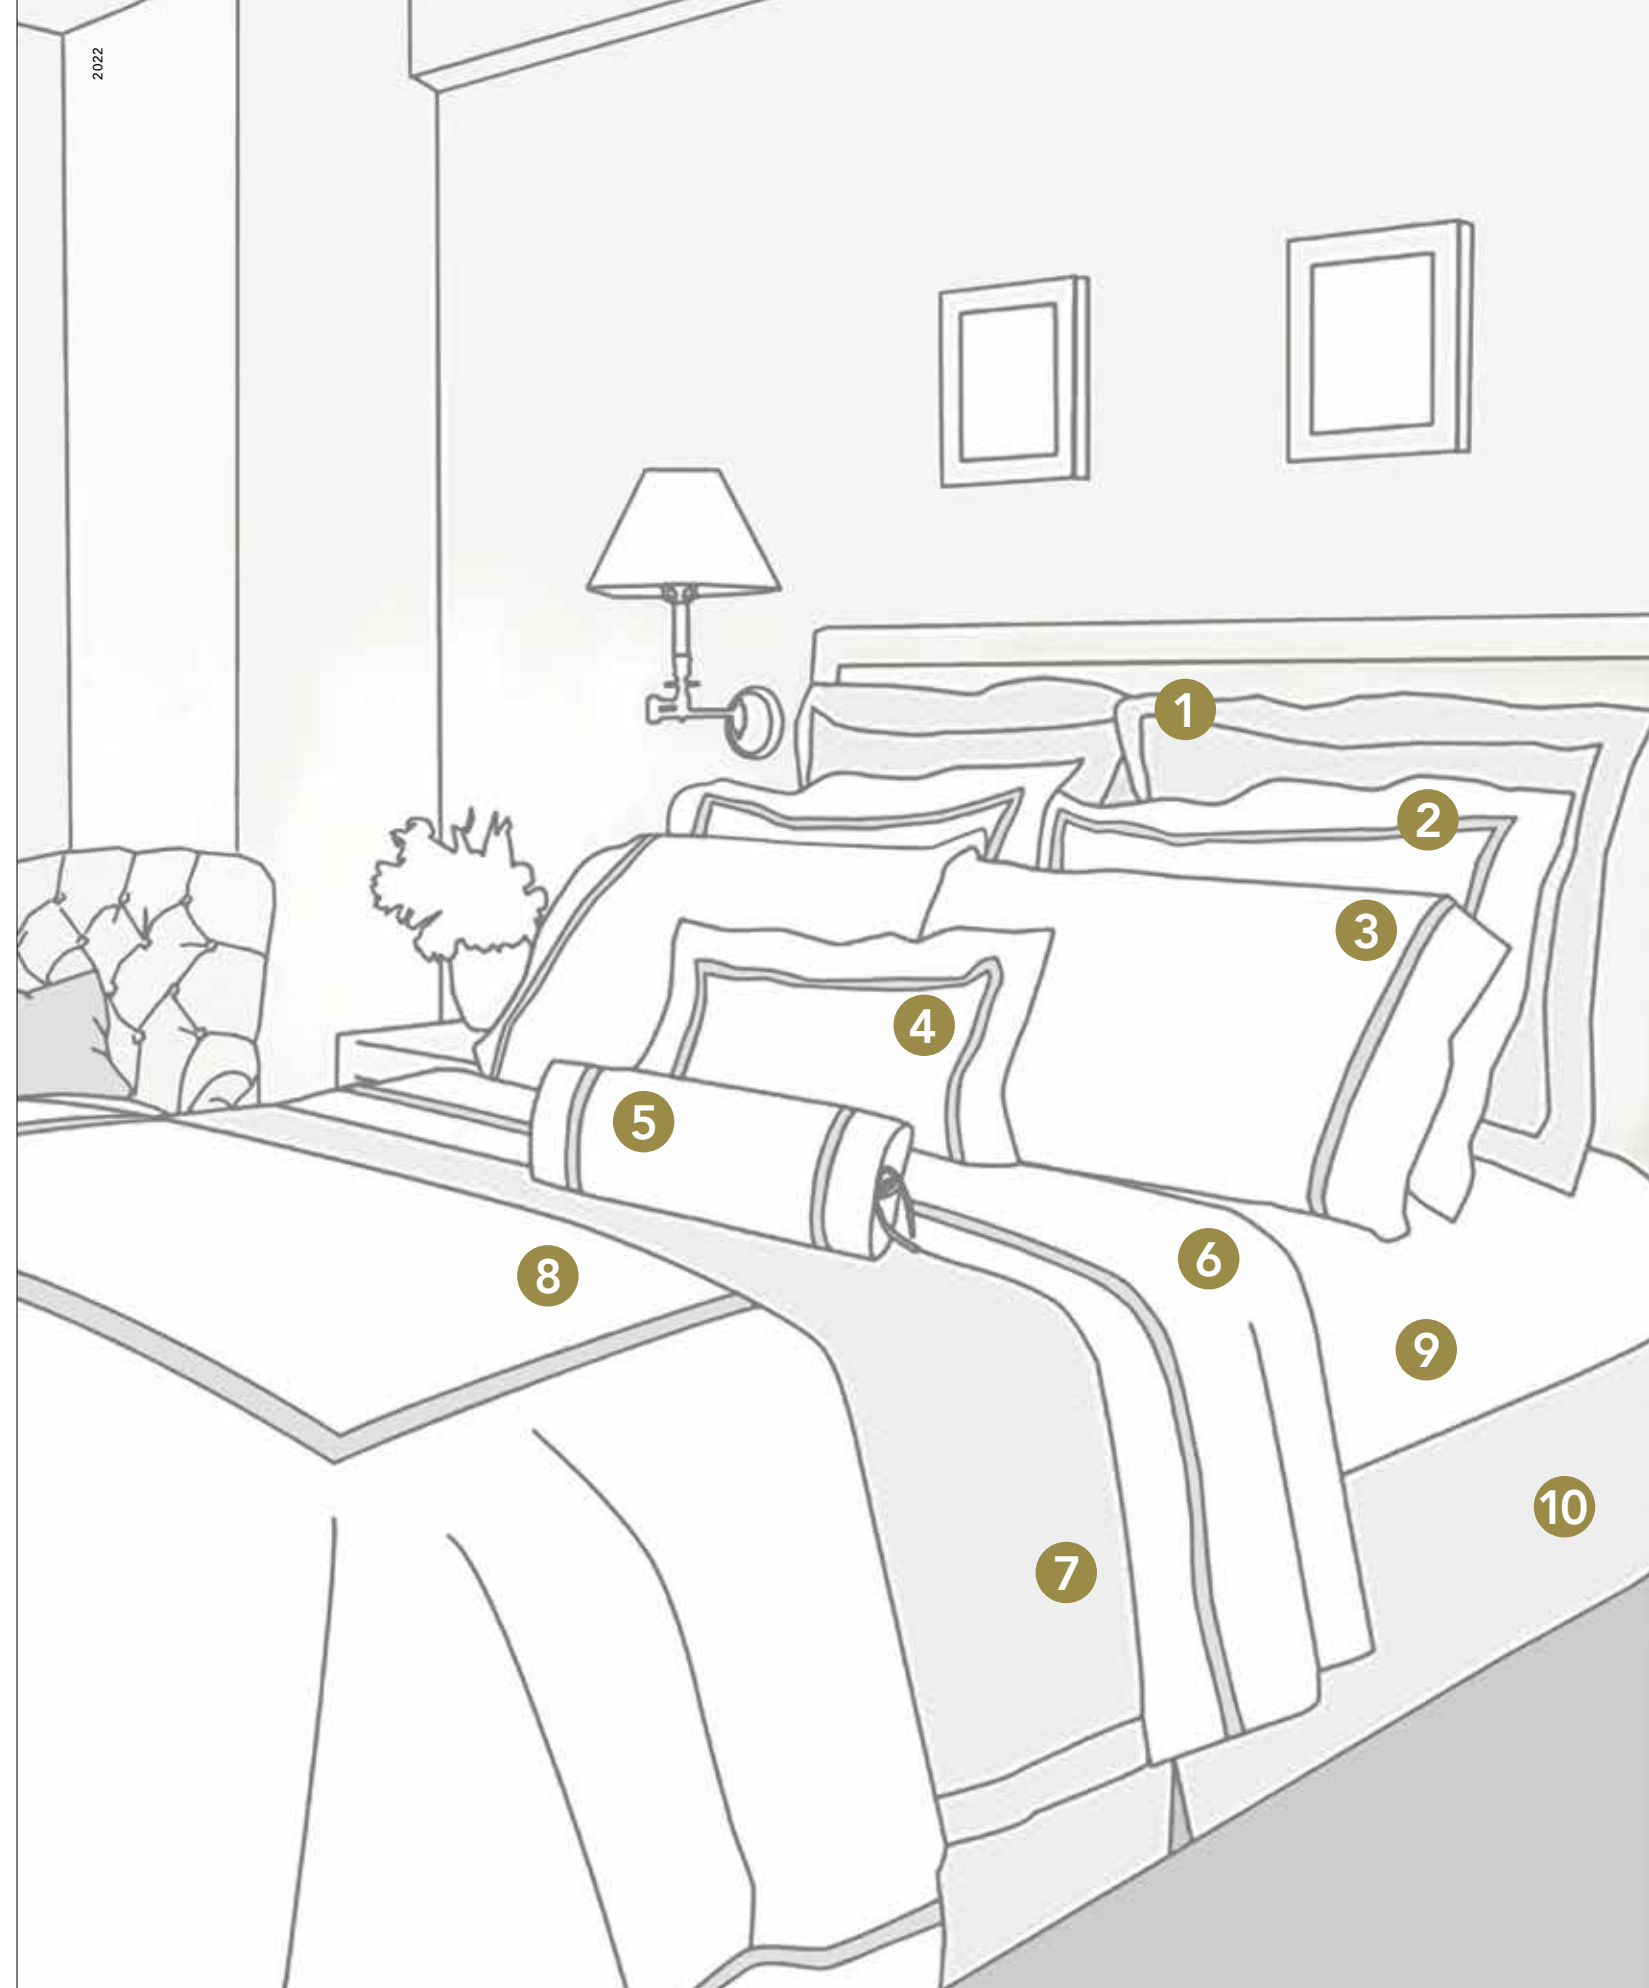

A decorative and protective covering for a duvet.

9. FITTED SHEET

This is the sheet used to fit tightly over a mattress. Our Fitted Sheets are stocked with 17" deep pockets, but we can also make custom sizes to fit any mattress.

10. BED SKIRT

A decorative piece used to cover the box spring and legs of the bed. Bed Skirts fit between the mattress and boxspring. They may be finished with either decking or panels.
